Dear Xu Wang,

You are invited to participate in the Thirteenth International Conference on Learning Representations. The Conference will take place Thu. Apr 24th through Mon the 28th, 2025 at the Singapore EXPO, Singapore, SG. These dates do not include travel time.

On behalf of the organizing committee, we have the pleasure to invite you to attend the conference and present your paper or talk. Your presence and contribution will be highly appreciated.

We are delighted to inform you that your presentation(s) have been accepted: Efficient and Robust Neural Combinatorial Optimization via Wasserstein-Based Coresets.

The International Conference on Learning Representations (ICLR) is the premier gathering of professionals dedicated to the advancement of the branch of artificial intelligence called deep learning. A detailed schedule of events and other information can be found at https://iclr.cc.

All participants are ultimately responsible for all expenses related to the conference and are solely responsible for obtaining any required travel Visas to the host country. We authorize that this electronic version of the invitation letter can be used for visa purposes.

Sincerely,

Yisong Yue
